ResearchGate: <https://www.researchgate.net/profile/Khashayar-Bora>

Google Scholar: <https://scholar.google.com/citations?hl=en&user=lsf4PUgAAAAJ>

DAAD-funded doctoral researcher in Freie University of Berlin with focus on wetland ecology and interest in biodiversity. I am making my best to boost my skills and knowledge...

Education

_Doctoral Studies Degree: 06/2024 – Present

Subject of Biology, Freie University, Berlin, Germany

Dissertation Title: “Understanding human-nature interactions in the Spreewald through the lens of social ecological networks”

_Master of Science Degree (M.Sc.): 09/2019 – 09/2022

Biodiversity-Habitats Management, Guilan University, Rasht, Iran

Dissertation Title: “Comparison of the wintering population trends of Dalmatian Pelican (*Pelecanus crispus*) and Great White Pelican (*Pelecanus onocrotalus*) regarding to habitat and climate change in a 15-years period (2007-2021) at the Anzali international Wetland, Iran”

(Iranian GPA: 16.18/20 Equivalent to 3.4/4) , (Dissertation grade: 19/20 Equivalent to 3.9/4)

_Bachelor of Science Degree (B.Sc.): 09/2014 – 11/2018

Environmental Science and Engineering, Guilan University, Rasht, Iran

(Iranian GPA: 16.45/20 Equivalent to 3.5/4)

Research Experience

_Researching on wintering Pelican populations in the Anzali Wetland: 09/2020 – 09/2022

_Researching on noise pollution in the city of Rasht in Iran: 08/2018 – 02/2020

Research Interests

_Biodiversity Monitoring and Conservation

_Habitat and Climate change in Aquatic Ecosystems

_Social-Ecological Networks

_Birds Ecology

Work Experience

_Quality control adviser, Hadi Sheikhmahboubi wood company, Bandaranzali, Iran: 06/2020 – 06/2022

Publications

1_A scientific manuscript about climate factors affecting Pelican species population in the Anzali international wetland. (Submitted)

2 **BORA, K.M.**, MIRBAZEL, G. and TAJADOD, M., 2023. European-Asian population of Great White Pelican *Pelecanus onocrotalus*, from breeding to wintering: A review. *Marine Ornithology*, 51, pp.27-32. (<http://www.marineornithology.org/article?rn=1506>)

3_Avarand, N., Tavakoli, B. and **Mahdiany Bora, K.**, 2023. Life cycle assessment of urban waste management in Rasht, Iran. *Integrated Environmental Assessment and Management*. (DOI: 10.1002/ieam.4751)

4_Orkomi, A.A. and **Bora, K.M.**, 2021. TRAFFIC INDUCED NOISE POLLUTION PREDICTION USING TRAFFIC NOISE MODEL (TNM) IN RASHT, IRAN. *Environmental Engineering & Management Journal (EEMJ)*, 20(9). (DOI: 10.30638/eemj.2021.131)

Conferences

1_International Conference on Urban-Rural Assembly: Co-Visioning Inter-Connected Regions; Berlin: October 2024 (participation as a viewer)

2_Rabiepour, A., Hodhodi, A. and **Bora, K.M.**, 2022. Usage of biodegradable packaging derived from fishery resources considering environmental approaches. (indexed)

3_**Khashayar, M.B.**, 2022. 11th international conference on biodiversity research. (indexed)

4_Mozaffarian, S., Motahari, M., **Mahdiany, K.**, Khezri, K., 2022. The Impact of Individual Consumer Habits on WEFC Nexus, Climate Justice and Social Justice. The 9th International Conference on Agricultural Sciences, Environment, Urban and Rural Development. (not indexed)

5_**Mahdiany Bora, K.**, Hodhodi, A., 2021. The positive impacts of dietary algae as a vegan source on urging public into healthier foods and mitigating climate change - A review. (not indexed)

Courses

_DAAD German Language Course in Speak & Write Language Centre, Germany: 06/2024 – 10/2024

_Blue Engineering Course in the Technical University of Berlin: 10/2021 – 02/2022

Skills

Software: _R-Programming Language: Basic Skill

 _Microsoft Office: Very good Skill

 _SPSS: Very good Skill

 _GIS: Good skill

Languages: _Persian Language: Mother Tongue

 _Gilaki Language: Fluent

 _English Language: Perfect Skill (IELTS C1)

 _German Language: B1

Social Engagement

_Activities in Environmental Campaigns, Guilan, Iran

_Donations for Pets, All over Iran

_Playing Music for Charities

_Organizing Vegan Events for increasing Climate Awareness
